### DETOUR INFORMATION

Main Street and Duane Street are open to TWO-WAY traffic with accessible parking.

Brick crosswalks are anticipated to begin the week of November 7; details regarding closures and restrictions are forthcoming.

*Please drive with caution in the work zone and obey construction signage.*

### OTHER IMPORTANT INFORMATION

- ◆ Cement shortages are affecting the contractor's accessibility to concrete. This is causing issues with scheduling, but we are actively planning to make the best of the situation and work around any obstacles. *We appreciate your patience and will continue to update you the best we can. Please reach out to Clay (see this page's footer below for Clay's contact information) with any immediate concerns/questions.*
